

Dear all

North Lambeth People's Expo 'People and Places'

A Community Event is being organised jointly by Waterloo Community Coalition (WaCoCo) and Kennington Oval and Vauxhall (KOV) Forum

At: Waterloo Action Centre

14 Baylis Road

SE1 7AA

On: 10 October 2009

12-4.00 pm

All North Lambeth residents and organisations will be invited to attend. We would like to know at this stage if you would like to take part. Our proposals include:

- A 'market place' of service provision in North Lambeth. We would like service providers from the voluntary, community and public sectors to display information and promote what they do
- Free refreshments
- Free entertainment
- Family activities
- Opportunities including demonstrations and cultural displays for everyone to get involved
- £500 grant will be available to two North Lambeth organisations, to be decided by public vote at the event
- Question Time session - involving key local representatives/providers

The theme for this event is People and Places. The event is designed to increase opportunities for people to find out more about their local services, put questions to providers and to find out how they can get more involved in this area.

The event will provide opportunities for:

- The promotion of local volunteering
- Networking and information sharing between services and agencies
- A valuable opportunity for engagement between the community and your service or organisation on current and future work

- Asking questions of key individuals - those providing services and community leaders.

We would like you to be part of this exciting event, whether by:

- having a stall,
- providing a 15 minute entertainment slot,
- applying for a grant,
- promoting the event to your members/client or
- sponsoring the event.

Space is obviously limited, so please contact David Fisher at david.fisher@wcdg.org.uk by 18th of September at the latest so as to let the organisers know how you would like to participate. Stalls will be allocated on the basis of relevance to the theme, relevance to the North Lambeth wide community and the overall contribution they will make to the visitors' experience at the event. Please therefore provide us with some detail such as what you would like to have on your stall and what entertainment you would like to provide. We very much look forward to hearing from you and would welcome your support for the event.

Yours sincerely
